

Moving Home Checklist

Two months before moving

- Notify your boss that you are leaving
- Research places your kids can go to school (skip if you have no kids)
- Start decluttering now
- You can order packing boxes to start early
- Research removal companies
- Research storage options

Five to six weeks before

- Revisit your insurance policies
- Research utility providers, GP clinics, banks etc.
- Make a must notify for moving list
- Start collecting moving quotes
- Research removal insurance coverage
- Start packing - first belongings not in use
- Set up a labelling system

Three to four weeks before

- Make a loading list - what goes in first, what last
- Clear out the frozen foods and others alike, you won't take
- Continue packing less important belongings
- Spread the word to friends and neighbours
- Notify your postal service
- Consider applying for a new credit card

One to two weeks before moving

- Make list of things you can't go without
- Clean electrical appliances
- Reduce your groceries
- Consider leaving something for the next owners
- Remember what goes with you, what in the van
- Make time for your friends
- You need separate places
- Start cleaning the house or book a company

One day before moving

- Clean the floor after loading the boxes
- Final check for packing the essentials
- Take cash with you

- Pack snacks for the road
- Check is your AA cover still valid

Moving out from old house

- Check every room
- Occupy your kids
- Double check your pet
- Take a note of meter readings
- Get involved in the loading process

Moving in your new house

- Relax with a cup of coffee/tea
- Let your pet out
- Ask the kids to keep an eye on the pet
- Check for any damages to the furniture
- Set up the beds
- Have a well deserved rest
